Grand Isle™

The Grand Isle collection, by American Drew, is a lifestyle total home collection crafted of Maple and Burl Ash solids and veneers that offers high end, yet casual up-to-date tropical style with multiple options for any room of the home. Grand Isle is a collection that is perfect for many homes, vacation homes or even smaller size condos. The Amber finish has a warm overtone with subtle dark burnished accents that make the natural, soft distressing show through.

Design elements used in Grand Isle include carved and shaped pilasters, woven drawer fronts and a louver motif; all adding a higher end look to the collection. The custom designed hardware is an Aged Brass color finish.

Create a warm and welcoming retreat in your home with the Grand Isle collection.

079 GRAND ISLE Amber Color Finish

Crafted of Maple and Burl Ash Veneers and Solids and wood products.
Aged Brass Color Hardware

Finishes ordered at different times are not guaranteed to match. Woods have grain and color variations due to growth patterns of each tree. The result is a beautiful and unique piece. Due to these variations, finishes on individual pieces are not guaranteed to match. The finish shown here has been reproduced as accurately as photographic and printing technologies allow. For the truest representation, please contact your American Drew dealer.

CARE & CLEANING

CARE OF FINE FINISHES

American Drew finishes are naturally resistant to minor everyday hazards and accidents; however, some precautions are necessary to maintain the beauty of your wood furniture.

- Dust with a soft clean cloth slightly moistened with water, and then dry completely with another clean cloth. Always rub in the direction of the wood grain.
- Avoid cigarettes, hot dishes, moisture and harsh solvents such as nail polish and alcohol.
- Do not place beverages directly on furniture.
- Use pads beneath accessories when writing or eating.
- Remove spills and smudges immediately.
- Pliable materials should not be left on a wood surface; they can damage the finish.
- Furniture should not be placed near heat, outlets, windows, or in direct sunlight.

All illustrations and specifications in this catalog are based on the latest product information available at the time of printing.
