**CAMDEN LIGHT FINISH**  
SERIES 920

a m e r i c a n d r e w™  
**PROFILES**  
furniture designed for living

Subtle style references and approachable scale enable you to reflect a unique sense of personal style while satisfying your desire for comfort, convenience, and quality. And, like a clean canvas, PROFILES invites an infinite range of accessorization, allowing you to add the accessories and personal possessions that express who you are, fashioning the perfect home for your individual life.

That's what PROFILES is all about—  
furniture that fits your life!

## CAMDEN LIGHT FINISH

Camden accents simple forms with quiet traditional references, gentle curves and a beautiful time worn white finish that lets the character of the wood show through. The brushed nickel finish hardware adds even more casual elegance to Camden. This collection will work great in your renovated farm house or that smaller beach cottage get-away.

 Panel.

# CAMDEN

## LIGHT FINISH

### 920 WHITE COLOR FINISH

#### POPLAR SOLIDS, MAPLE, ASH VENEERS AND SELECT HARDWOODS

Finishes ordered at different times are not guaranteed to match. Woods have grain and color variations due to growth patterns of each tree. The result is a beautiful and unique piece. Due to these variations, finishes on individual pieces are not guaranteed to match. The finish shown here has been reproduced as accurately as photographic and printing technologies allow.

For the truest representation, please contact your American Drew dealer.

## CARE & CLEANING

### CARE OF FINE FINISHES

American Drew finishes are naturally resistant to minor everyday hazards and accidents; however, some precautions are necessary to maintain the beauty of your wood furniture.

- Dust with a soft clean cloth slightly moistened with water, and then dry completely with another clean cloth. Always rub in the direction of the wood grain.
- Avoid cigarettes, hot dishes, moisture and harsh solvents such as nail polish and alcohol.
- Do not place beverages directly on furniture.
- Use pads beneath accessories when writing or eating.
- Remove spills and smudges immediately.
- Pliable materials should not be left on a wood surface; they can damage the finish.
- Furniture should not be placed near heat, outlets, windows, or in direct sunlight.

### CARE OF DECORATIVE HARDWARE

The decorative hardware on this furniture has been protected with a clear lacquer coat. The use of harsh detergents or brass polish in an attempt to clean or obtain higher luster will result in the removal of the protective lacquer and will damage the finish of the hardware. Use a soft damp cloth to remove dust.

All illustrations and specifications in this catalog are based on the latest product information available at the time of printing. American Drew reserves the right to discontinue items without notice and to make changes to colors, materials, equipment and specifications at any time. Quotes contained in this catalog are from fictional consumers. This catalog is intended to be distributed to authorized dealers, and possession does not constitute authority to purchase.

\* Indicates: Cannot be sold separately.
