χ Lynn Haven

The Lynn Haven collection offers a soft Dover white finish with a perfect “cottage” feel and showcases floral patterns and soft finishes. A new take on the garden or seaside cottage, this new collection is for those who decorate for comfort and favors re-purposed heirlooms.

The Dover white finish of this collection features worn edges and slight distressing. Each item with drawers comes with two sets of hardware, a beautiful, geometric coved square round chrome knob and a more basic wood painted knob that matches the white finish.

The interlocking scroll patterns in top drawers, doors, chairs and beds bring a delicate use of pattern that fits perfectly in any space. The subtle patterns are complimentary to today’s cleaner lifestyles. Lynn Haven features a blend of squared round and angled top surfaces and expressive moldings. Another unique design aspect is the use of raised architectural square beveled block forms found on select pieces. Updated cottage influences are evident with the post and pilaster turnings in the collection. Sharp bead and cove profiles are lightly burnished and rubbed to show worn edges.

Lynn Haven is a whole home collection that features occasional that complement any room with a beautiful unique casual look.

Lynn Haven

416 LYNN HAVEN - BIRCH VENEERS

Crafted In Birch Veneers and hardwood solids in a Dover White Finish.
Custom Hardware in Dover White (Wood) and Chrome (Metal).
Slight Distressing, Worn Edges, Applied Moldings

Finishes ordered at different times are not guaranteed to match. Woods have grain and color variations due to growth patterns of each tree.
The result is a beautiful and unique piece. Due to these variations, finishes on individual pieces are not guaranteed to match.
The finish shown here has been reproduced as accurately as photographic and printing technologies allow. For the truest representation,
please contact your American Drew dealer.

Care & Cleaning

Care of fine finishes: American Drew finishes are naturally resistant to minor everyday hazards and accidents; however, some precautions are necessary to maintain the beauty of your wood furniture.

- Dust with a soft clean cloth slightly moistened with water, and then dry completely with another clean cloth. Always rub in the direction of the wood grain.
- Avoid cigarettes, hot dishes, moisture and harsh solvents such as nail polish and alcohol.
- Do not place beverages directly on furniture.
- Use pads beneath accessories when writing or eating.
- Remove spills and smudges immediately.
- Pliable materials should not be left on a wood surface; they can damage the finish.
- Furniture should not be placed near heat, outlets, windows, or in direct sunlight.
