# Southbury

Casual European country homes are the inspiration for Southbury. Working with different textures and finishes create a look and feel of old world treasures. Design inspirations include architectural elements such as fluted posts, picture frame moldings, subtle shapes and tapered legs. The final touch of the case is the beautiful drop-ring hardware. To achieve a time worn look, we use Wirebrushed Oak veneers finished with a glaze over antiqued chipped paint.

## 513-916 ROUND END TABLE

Dia 26 H26

### WIREBRUSHED OAK VENEERS WITH A PARCHMENT FINISH

Wirebrushed Oak veneers featuring white parchment finish with glaze and antique chipped paint along with contrasting fossil-colored wood tone tops and soft close drawer guides

*Finishes ordered at different times are not guaranteed to match. Woods have grain and color variations due to growth patterns of each tree. The result is a beautiful and unique piece. Due to these variations, finishes on individual pieces are not guaranteed to match. The finish shown here has been reproduced as accurately as photographic and printing technologies allow. For the truest representation, please contact your American Drew dealer.*

## Care & Cleaning

**Care of fine finishes:** American Drew finishes are naturally resistant to minor everyday hazards and accidents; however, some precautions are necessary to maintain the beauty of your wood furniture.

- Dust with a soft clean cloth slightly moistened with water, and then dry completely with another clean cloth. Always rub in the direction of the wood grain.
- Avoid cigarettes, hot dishes, moisture and harsh solvents such as nail polish and alcohol.
- Do not place beverages directly on furniture.
- Use pads beneath accessories when writing or eating.
- Remove spills and smudges immediately.
- Pliable materials should not be left on a wood surface; they can damage the finish.
- Furniture should not be placed near heat, windows, or in direct sunlight.

### 513-585 ENTERTAINMENT CONSOLE

W60 D19 H32

Four soft close drawers, two doors, center opening for components, power bar, wire management, center support foot underneath, adjustable shelf behind doors
